

Dear Mrs. McNally,

Hey, my name is Zoey Wills. I'm a varsity cheerleader, and have been in gymnastics for 10 years now. If you were ever looking for me to warn me about the zombies, I would probably be at Dairy Queen. No I don't work there, I just love ice cream. I hate negativity; I always try to be positive. Therefore I like to be around positive people and a positive environment.

My English history is pretty good if I do say so myself. English is one of my best subjects. I love to write stories and essays. I will say I hate reading out loud, I like to read to myself if it's something that I'm interested in.

This year my goal is to get an A in this class. I like to have good grades, that way I can get into a good collage. I try to make sure that I don't get anything below a low B, but I do get the occasional C. So I want to have straight A this year, and I'm going to try my best to make that happen.

My weaknesses, my biggest weakness is probably that I have an attention spanned of a squirrel, I get distracted very easily. I've been trying to do better but I just get distracted. Also I can't sit still, I'm always tapping my foot or pencil. I'm always moving.

Well that basically raps it up for now, we'll catch up some more later. You seem like a really cool teacher and I think I'm going to learn a lot in this class. I hope you enjoyed my little essay. Have a good day!

Sincerely,
Zoey
